

Oriented Strand Board (OSB)^{1,2,4}

Products	Lengths [*]	Thicknesses [^]	Applications
Eclipse™ Radiant Barrier Panels³	96	3/8, 7/16, 15/32, 1/2, 19/32 & 23/32	Roof sheathing & sidewall panels
	108	3/8, 7/16, 15/32, 1/2 & 19/32	
Eclipse™ Energy Guard³	96, 97 1/8, 108 & 109 1/8	7/16	Reflective insulated sidewall system designed as a vapor and air diffuser
WindBrace®	97 1/8, 109 1/8, 121 1/8 & 145 1/8	7/16 (additional thicknesses available)	Extended length sidewall panels in hurricane-prone areas
TuffStrand®	96, 108 & 120	3/8, 7/16, 15/32, 1/2, 19/32 & 23/32	Roof sheathing, wall sheathing, subfloors & some utility applications

Southern Yellow Pine Plywood (SmartCore®)⁴

Products	Grade/Specifications	Lengths [*]	Thicknesses [^]	Applications
Sanded¹	Sanded plywood: AA, AB, AC, A-Flat, BC. All meet UL requirements.	96	1/4, 11/32, 15/32, 19/32, & 23/32	Residential & nonresidential construction; new construction & remodeling projects; industrial applications including furniture stock, lamination substrates & transportation
GreenCore Plyform™¹	BBOES structurally rated with release agent	96	19/32 & 23/32	Concrete forming (wall, deck & pillar surfaces)
SmartPour®¹	BC MDO	96	3/4 & 17.5 mm	Medium density overlaid plywood designed & manufactured to achieve a consistent matte finish; durable, reliable concrete form offering multiple reuse
Exterior Siding¹	Rough-sawn or scratch sanded face treatments with 4", 8", 12" RBB groove. No groove, shallow groove & deep groove patterns. 6 SW & decorative grade.	96	11/32 & 19/32	Residential & nonresidential construction; new construction & remodeling projects; industrial applications
	No groove pattern with square edges or ship-lap edges	96	11/32 & 19/32	
Beaded	Decorative grade	96	11/32 & 19/32	Wainscoting, ceilings & other decorative applications
SIF (Underlayment)¹	CD	96	19/32, 23/32 & 1 1/8	Underlayment
Unsanded¹	RS, CD struct-one	96	3/8, 15/32, 19/32 & 23/32	Residential & nonresidential construction; new construction & remodeling projects; industrial applications including furniture stock
SCIG	Proprietary	96	15/32, 19/32, 23/32 & custom thicknesses	Proprietary panels for industrial grade furniture stock

^{*} Lengths are nominal. All widths are 48" (nominal)

[^] Performance categories | Printed November 2011

¹ APA rated | ²CE certified | ³RIMA-I verified | Made in the USA

⁴ Products are available Forest Stewardship Council™ (FSC®) certified

Landscape Timbers⁴

Product	Lengths	Thicknesses (in inches)	Applications
Pine Landscape Timbers	96	3 1/4 & 2 1/2	Untreated landscape timbers

Lumber & Timbers^{4,5}

Products	Grade/ Specifications	Lengths	Applications
Dimension Lumber	#2, #3, & #4 S4S-EE, KD19	2x4 & 2x6 up to 12'	Industrial & framing applications
Heavy Studs	#2 & BTR, Industrial Grade S4S-SE, KD19	3x4 8' & 10' (92 5/8" & 104 5/8" PET available)	Industrial applications & multi-family residential framing
Squares/Timbers	#1, #2, Industrial Grade S4S-SE, S-GRN	4x4 & 4x6 (up to 16') & 6x6 (up to 20')	Treating, crating & industrial applications
Barn Timbers	Mill Run Rough S-GRN	5x5 8'-20'	Barn & other structural applications

Treated Products

Products	Grade/ Specifications	Lengths	Applications
Pressure-Treated Utility Poles & Piling	Creosote #10, #12, #16 & #20	Classes 1-10, 20'-100'; H1-H6, 30'-100'	Utility poles & piling; raised floor applications; oilfield applications & road infrastructure projects
	CCA .60 (treatment up to 2.5 available)	Classes 101-, 20'-90'; H1-H6, 30'-90'	Utility poles & piling; raised floor applications; marine applications; oilfield applications & road infrastructure projects
	Penta .30 (treatment up to .60 available)	Classes 1-10, 20'-100' length; H1-H6, 30'-100' length	Utility poles & piling; raised floor applications, oilfield applications & road infrastructure projects
	CCA-emulsion treatment		Utility poles & piling; raised floor applications; marine applications; oilfield applications & road infrastructure projects
Untreated Utility Poles & Piling	n/a	20'-100'	
Timber	CCA, penta, creosote & CCA-ET	n/a	Retainer walls & utility applications
Round Treated Fence Posts	CCA & creosote	3"-8" top x 8'	Fencing
